

Dear Therapy Dogs of Vermont,

We are happy to give you our donatiion of **\$38.15** that all the Second Graders in Rick Marcotte Central School in South Burlington collected to add to Oprah's Big Give. We love it when our teacher's dog, Libby, comes in to read with us! We hope that the money will let other dogs help many more kids! We went into the other classes and did a presentation about Therapy Dogs of Vermont to the other Second Graders. They were excited to donate, too! We had coupons in the shape of dog bones that we filled out for special jobs around the house that we could do to earn the money. It was fun!

Thank you to the Northfield Savings Bank and to Oprah's Big Give! We hope you reach your goal!

Sincerely,
Mary Lindemann
